### **Where everyone can be great, not just good!**

This is the final letter of this academic year and what a difference a year makes.

In September, many pupils were being taught in temporary classrooms, with dust and debris everywhere and we were also waiting an OFSTED inspection.

Well, one GOOD OFSTED inspection and a whole set of amazing rooms later we are in a fabulous place; with confidence and a positive atmosphere being self-evident.

To that end, we must say thank you for all your support and enthusiasm for all that we have done this year. We have had a ball the last two terms and we hope that you and your children have thrived as we have.

The initial Test results reveal our highest ever SAT's scores for Year 6, with around 40% of our children making 6 years progress in the four years from Year 2 to Year 6. We are also well above the national average for children 'passing' the Phonics test in Year 1!! We have plenty of exciting plans for next year and once we have all had a break, we will continue to create a great school that everyone can be proud of!
