Where everyone can be great, not just good!

Yet again there seems to be a lot happening in school at the moment, there is never a dull moment here.

Highlights of our Year 6 results

We have now had our confirmed results verified by the DfE and will be putting them on our website shortly.

However: 86% of our children got a level 4 in Reading, Writing and Maths (National Average 80%: second highest in our Trust!)

96% of our children got a level 4 in maths (3rd highest in Bournemouth)

Over 40% of our Year 6's made accelerated progress in reading, writing and maths from Year 2! (well above national average of 35%)

We are very proud of the achievements of our pupils, their parents and our staff and recognize how hard everyone has worked. We are in a good place to meet the tough new standards that our current Year 6's will be tested on next year; although we must all keep working very hard!!

Clubs

Clubs have all started now and are very popular.

There are still a few spaces in some clubs so please contact the office for further information.
