

In September the PTA was re-formed and is now headed by Nicky Guy who volunteered (!!??) and is very ably assisted by committee members consisting of both staff and parents. We were very sorry to have to say goodbye to Janet who had managed the PTA for some years.

The PTA set to work arranging 3 discos, the school opening ceremony, Santa and the Summer Fayre.

We started the Year with £7500 and have spent; £3700 on new wallbars for the new hall (our biggest purchase of the year), hi-vis vests for the children to wear on trips, donated £500 each to the Young carers and Nursery, £50 per class for wet play equipment, 12 gazebos for the summer fayre and sports day use and autograph books for year 6 to name a few.

We have just counted the money from the disco which raised £838. Thank you to everyone involved.

We are currently in the process of deciding what to spend money on next year which may be for floodlights for the school MUGA which will be for community use and the benefit of our children.

DATES for next year:

Halloween Disco – Wednesday 21st October

Christmas Fayre and Santa – 11th December
