### MUGA Lighting

We are so lucky to have MUGA which is used every day. We would like to install lighting which would enable us to use it after dark for our after school club and other sporting events. Therefore we are currently fund raising to be able to achieve this goal. The fund has started well with a very generous donation of £546.46 organized from the Local Improvement Fund.

### Big Fair Trade Breakfast

Thursday 10<sup>th</sup> March

Millions of farmers and workers in developing countries work hard every day to grow food we eat. Yet many don't earn enough to know where their next meal is coming from.

We can all do something to tackle this injustice by making breakfast count. Fair Trade means many farmers and workers are able to do what we take for granted – put enough food on the table for the people they care about, all year round.

Fair Trade is being supported across Bournemouth.

We are taking part in this event by serving chocolate chip muffins and a drink of orange juice to every pupil free of charge on the morning of Thursday 10<sup>th</sup> March in the small hall. **Paula, our cook, has kindly offered to make the muffins in school along side some of our pupils.**

**The ingredients for the muffins will be supplied by our local TESCO store in Kinson. Thank you TESCO'S and Sally Teixeira – Community Champion, we really appreciate your help and the generous contribution.**
