

Kingsleigh Newsletter

You can find 'Kingsleigh Primary school' on:

Newsletter

It really does seem that Summer is just around the corner with the children getting on to the field at playtime and more lessons being taught outside.

Have a fabulous Easter break and we will see you all back here on Monday 24th April.

Disco

Our sincere thanks to everyone who helped ensure that the two discos held on Wednesday were a great success. We raised over £1300 over the evening, which will be spent on your children. The few Easter Eggs that were left are being donated to the Food bank.

New Teacher

We held interviews this week and have appointed new teachers to cover maternity leave and new classes that will open in September. They are Miss Plummer, Miss Zadeh and Miss Murgatroyd. We are really excited about their appointment and the children will meet them over the Summer Term.

Clubs

As the next half term is very short we have already sent the clubs letter out this week for you to choose over the holidays. Clubs will start on Tuesday 2nd May.

Year 6 Survive

Our Y6's had a great time at PGL Weymouth and came back with lots of brilliant memories. Our thanks go to the staff who gave up part or all of their weekend to make this happen. Year 6 assembly will be on Friday 28th April, all year 6 parents/carers are welcome, doors open at 9.00am.

Holiday Club

Coach James will be running a Sports Holiday Club this Easter. It will be open on Monday 10th April until Thursday 13th and on Tuesday 18th and Wednesday 19th April. A letter will come out from Coach James on Friday.

Jigsaw Assembly

In Jigsaw Assembly this week, we have been reflecting on and celebrating our learning around Healthy Me. The children had brilliant ideas for ways to stay healthy. We also considered how to keep our minds healthy, inspired by a personal message to the children at Kingsleigh Primary School from local runner Peter Thompson. Peter is currently running 44 marathons, in 44 countries, in 44 consecutive days, to raise money and awareness for Mind and Hornton Lee mental health charities. You can view his progress and read about his inspiring challenge at <https://marathonsforthemind.com/>.
